

OAKSON, INC.

Innovative Drip Dispersal, Water Re-Use, and Wastewater Products

You're Invited !!!

Perc-Rite® Drip Dispersal Training – Earn Credit Hours*!

You are cordially invited to learn about the Perc-Rite® Drip Dispersal System which is **fully approved in New Hampshire, (and other New England States including Massachusetts, Maine, & Vermont)** and quickly becoming a superior & permanent solution for wastewater disposal. This innovative technology is approved in 28 states and has been used almost 30 years throughout the U.S. & Canada for wastewater disposal, water re-use, and stormwater applications. **Perc-Rite is the only approved drip system which can be used for septic tank effluent or treated effluent; it can be used for both new construction and repairs.** Light refreshments will be served. There is no charge to attend this informative session.
